

TRAIN+ BIKE TO DISCOVER TRENTO

✓ FROM SAN CANDIDO TO AUSTRIA!

From Trento, reach San Candido by train. Here you can rent a bike and ride it down the hill until Lienz (44 kilometers-3 hours), which is located in Austria. From Lienz, you can come back to San Candido by a special train which carries the bikes too.

✓ VAL DI SOLE

From Trento, you can reach the Val di Sole by the Trento-Male' train (the station is just a few meters off the main Trento railway station). Once you are there, you can rent a bike (see the numbers in green in the map) for 5 hours or the entire day and ride along the cyclepath. Note that you can return your bike in a different renting point. For example, you can arrive to Marilleva by train (terminus), rent a bike, ride to Ossana and then down the hill as far as Male', where you can leave your bike and get the train to Trento.

✓ VAL VENOSTA

From Trento, reach Merano by train (connection in Bolzano) and from here to Malles. In Malles you can rent a bike and ride down the hill as far as Merano, where you can leave the bike (the spot is just behind the train station) and visit this nice German-style city.
